Notes:

For week ending June 5, 1999, 202 dealers held a federal squid, mackerel, butterfish permit. Of those 202 dealers, 161 (80%) have submitted a weekly quota report for the current reporting week. Because Massachusetts dealers submit weekly quota reports directly to the state, they were not included in these calculations.

The small mesh squid trawling season has been extended through June 15, 1999 in Massachusetts.

These data are the best available to NMFS when this report was compiled. Data are supplied to NMFS by dealers and/or state agencies and may be preliminary.
